# FUEL APP

The fuel app provides a comprehensive solution for small fleets and independent drivers, offering discounts, rewards, and convenient features like location searches and pre-funded cards. Maximize savings and streamline operations with this essential tool.

# REVOLUTIONARY SEARCH FEATURE

---

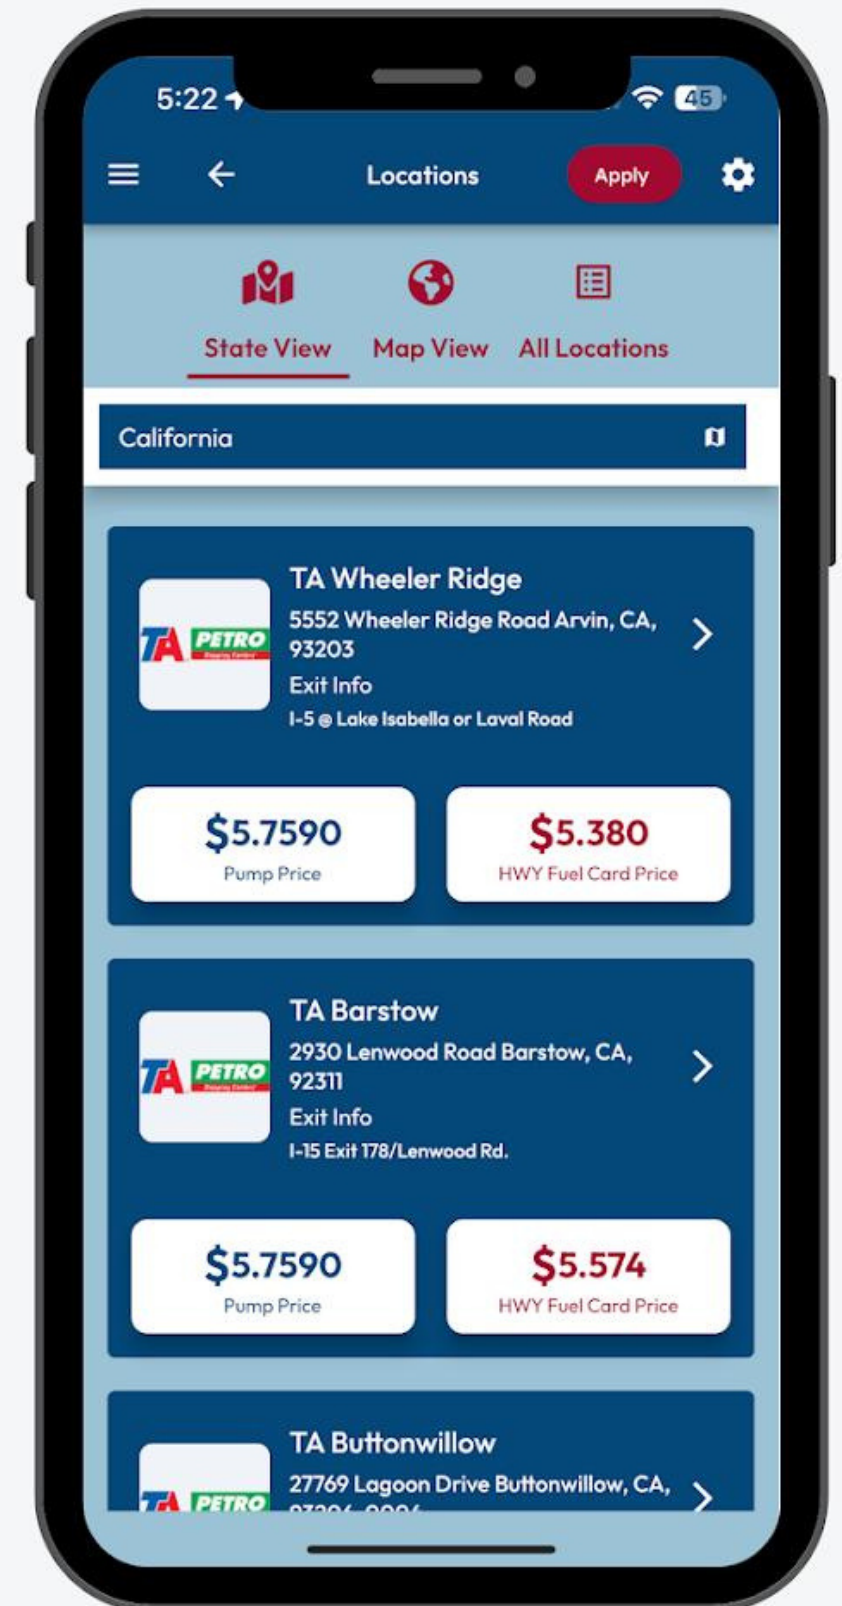

The **fuel app** introduces a new search feature that enhances the user experience by helping them locate fueling stations with discounts in their preferred areas. Users can easily filter results by state, highway, or even specific partners

# FINANCIAL ASSISTANCE BEYOND FUEL DISCOUNTS

Understanding the multifaceted challenges faced by independent drivers and small carriers, the app extends its support beyond fuel discounts. It provides access to pre-funded fuel cards with no credit checks or swipe fees, making financial transactions seamless. Additionally, users can explore opportunities for factoring with discounted fees and even apply for competitively priced truck insurance, all within the app.
